// ABOUT

As a skilled front-end developer, I have a passion for creating intuitive and engaging user experiences. With 2 years of hands-on experience in front-end development, I have a strong foundation in modern technologies such as HTML, CSS, JavaScript, and jQuery.

I have a track record of successfully completing projects from start to finish, consistently delivering high-quality work that meets the needs of my clients. In addition to my technical expertise, I am a proactive problem-solver with excellent communication and collaboration skills.
